WMGA News

Is it hot enough for you? Though we haven't really broken any records, much of the summer has been hotter than blazes but lots of folks are still managing to get out and enjoy the course and the camaraderie of playing golf with friends. The President's Cup teams were seen (and heard) "bonding" on the course in early July with a little "alternate shot" play to get them ready for the big show while others were enjoying a few extra rounds over the Independence Day weekend. Course conditions continue to improve and with some special attention to a few problem holes and all the green complexes, things are really in great shape. Please keep filling divots

and repairing your ball marks (and a few others while you are at it).

Membership in the WMGA continues to ebb and flow to around 170 strong which is a little short of the end of year goal to have 200 members, but we expect to add members when the typical summer relocation season ends and more folks move into their new homes in Woodmont. If you know anyone who is on the fence about joining the WMGA, let's get them out for a "recruiting round" of golf with a couple of members and see if we can bring them into the fold. WMGA membership is not for everyone but let's at least make sure those who are undecided get to see what it's all about first hand. Dogfight anyone?

The WMGA is looking for volunteers to participate on committees during the rest of the 2010 season in preparation for assuming committee leadership in 2011. I have heard lots of creative ideas about how to improve tournaments, handicap management and a range of other topics. The ideas are terrific and I personally appreciate the input and the feedback. It would really be terrific if a few more folks participated more directly in helping to get their good ideas put into play. Contact myself or any board member to talk about joining the team.

Play continues and the brackets are narrowing in every division of Woodmont Cup play. It looks like a good race to the finish with some of the normal favorites eliminated early. Looks like there may be some new names on the cup(s). By the time you read this article, the Over and Under 50 tournament will be in the books as will the inaugural President's Cup. I hope everyone is playing in as many events as they possibly can in order to rack up points for the 2012 President's Cup.

Welcome to the Club

Please join us in welcoming Woodmont's newest golf members:

Jim Blose
Jim & Bonnie Turner
Randy MacNeill

Thanks to everyone for your continued support, input and feedback. We cannot improve our association if we don't know what the members are thinking and feeling. It's impossible to please everyone all the time but I personally want to thank you for the comments you have shared with me in the spirit of making things better. Keep those notes and letters coming!

» GOLF NEWS CONTINUED

Place Net was won by **Pat Bolin** and **Kathy Murn**. It was a great event and big thanks is due to **Charlotte O'Connor** for heading up this event.

It's nice to see such a good turn-out again on Wednesday nights. We certainly appreciate **Della Judy & Jeanne Maples** for their help coming up with lots of fun games to add interest to the 9 holes. Plan to stay for dinner after you're through so you can join us in discussing your "should have..." golf game.

New for this year is our August 24 Invitational. The format is a 4-person team A, B, C, D and you only record one net score on a par-5, two net scores on a par-4 and three net scores on a par-3. You sign up as an individual, and we will mix you with players from other clubs. Already we have lots of players from outside clubs excited to return to Woodmont. **Clare Clark** has done a great job planning this event.

Chix with Stix will resume in September, but I 575 is off to Lake Arrowhead on Wednesday,

August 18. And Team Play takes on Eagle Watch this month. Good luck girls!

It's HOT...so don't forget... if you only want to play nine holes, we now have a daytime 9-hole group that plays on Tuesday. **Abby Cassell** and **Skip Souren** have been great Chair persons for GAP (Gals Above Par).

All these events can be found on woodmontevents.com So get your calendars out, mark down these dates, and I'll see you out there!

What Makes KidzArt Different?

We're Creative Based vs. Rendering-Based

- We encourage "out of the box" thinking versus a "copy exactly" approach.
- We use Brainstorming methods to bring out the uniqueness of each artist.
- Each student's creation is one of a kind.

We Build Confidence

- Supportive, non competitive learning environment.
- Students learn that there are "No mistakes in art".
- Students artwork is never "corrected" by the instructor.
- Confidence carries over into the student's everyday life.

We Focus on the Creative Process, not the end Result

- We balance guided instruction with creative freedom.
- We use music and relaxation techniques to increase focus and release creativity.
- Improved problem-solving skills spill over into the classroom and test scores.

We use the Highest Quality Art Materials

- Our students are taught to use professional grade artist supplies, that are rarely experienced until high school or university level.
- Our students are treated like "true artists" from the start.
- Our students work with a variety of mediums including paints, markers, charcoal, oil & chalk pastels, etc.

KidzArt Projects Never Repeat!

Your child will produce a new work of art each class. The facts are that arts education makes a tremendous impact on the developmental growth of every child and has proven to help level the "learning field" across socio-economic boundaries.

2010-2011 DANCE CLASSES AT WOODMONT GOLF & COUNTRY CLUB!

TAP & BALLET THURSDAYS 4:15 - 5:00 (Ages 2.5 & Up)

The class is divided with 20 minutes of tap and 25 minutes of ballet. Since ballet is the basis for all dance technique, the combination of both works hand in hand. The technical training is taught through ballet, which in turn helps teach the proper shifting of weight and patterns in movement for tap. Since children naturally respond to music and movement, all of the activities are executed to fun music. *Cost per student: \$32 registration fee; \$49 per month.*

HIP-HOP THURSDAYS 5:15 - 6:00 (Ages 5 & Up)

In Hip-Hop, students will learn fun dance combinations and develop the strength, flexibility, rhythm, leaps, turns, balance and combinations in the center and safe body mechanics to dance confidently in any environment. This style of dance is known for fast, athletic movements and body isolations. Hip-Hop is extremely popular, and can be seen in commercials, music videos and concerts. As with all CMD programs, music and choreography is age appropriate and tame. Hip-Hop is a great activity for BOYS AND GIRLS! *Cost per student: \$32 registration fee; \$49 per month.*

PROGRAM DETAILS :

- ◆ One 45 minute class per week (August–May). Classes begin August 12.
- ◆ No classes are held during Cherokee County's holidays for Thanksgiving, Christmas, and Spring Break. Class **WILL** be held on all other Thursdays (including FALL and WINTER breaks).
- ◆ A recital will be held at Woodmont in May. Students are encouraged to participate for the entire year and to take part in the recital. **There will be no additional fees for the recital.**
- ◆ Classes are held in Woodmont's Aerobic Room, located on the lower level of the Cherokee Hall adjacent to the Clubhouse Pool.
- ◆ **Dress Code:** Hip Hop students need tennis shoes and comfortable clothing. Tap-Ballet students should wear a leotard, pink ballet shoes, and black tap shoes. Skirts and tights are optional. Dancewear can be ordered at www.creativemovementanddance.com.

Resident Spotlight

Congratulations to member, **Nick Charles**, who is a member of the World Champion Georgia All-Stars cheerleading team. Nick, 17, is the son of **Nicci Charles-Cross** and **John Cross**. A former member of the ATL All-Stars who won the national championship in Orlando; Nick decided to try out for the world champions in Roswell, Georgia. It didn't take long for the coaches at Georgia All-Stars to recognize his talents and add him to their World Championship squad.

Now a Creekview senior, Nick began gymnastics when he was five years old. "When my mom saw me watching meets on television and trying to imitate the gymnasts' skills, she quickly saw what my sport would be. Soon, I began competing on the Roswell Gymnastics team."

A 5-time Georgia State Champion Qualifier, he represented the Peach State as one of the top ten gymnasts in the United States. In 2005, Nick competed in the Junior Olympic Gymnastics

Championships. Eventually, the grueling practices (4 hours per day, 5 days per week) were too much. "The schedule took a toll on my body, so the natural next step was to make a transition to cheerleading." Apparently, he made the right choice. His cheer team practices four hours each week and competes seven times throughout the year, which has led to a world championship.

When asked what his classmates think about his participation in a non-traditional sport, he said, "It was hard at first. There's a stereotype that cheerleading is only for girls. It was difficult to hear those comments at first. As I got older, I was able to put it out of my mind and continue to do what I enjoyed the most. I figured out that it wasn't important to make everyone else happy. On the other hand, a lot of my classmates enjoy watching me compete."

Nick is aware that many young gymnasts and cheerleaders at his gym and at Woodmont look up to him. The advice he'd give them? "Do what you like to do. Never give up. Do everything to the best of your ability." They can aspire to duplicate his specialty tumbling pass, which is confusing to read, let alone try: a round-off handspring, one-and-half step-out round-off handspring, double-full handspring, double-full!

After being crowned as the best in the world, this phenomenal athlete is looking forward to college cheerleading. "My dream school is Hawaii Pacific University," he said. "I hope to get a scholarship based on my championship experience and gymnastics ability."

Nick's Woodmont family can be nothing shy of amazed and proud of his accomplishments. We know he'll continue to meet and exceed his goals. His hard work and dedication are an example for all of us to follow.

Congratulations, Nick!

MLI Mountain Lakes Insurance

MLI Mountain Lakes Insurance

INSURANCE WITH OUR ASSURANCE

Mountain Lakes Insurance is an Independent Insurance Agency

Why Choose An Independent Agent?

Buying insurance isn't like buying bread or milk. Insurance is an important safety net for a family or a business. Don't treat the purchase lightly! There is a difference in where you buy your protection. Many people don't realize there are three sources for insurance:

- **Captive Agents**- sell you the insurance of **only one company**.
- **Telephone Representatives**- offer you the insurance of **one company**, and only on the telephone.
- **Independent Insurance Agents and Brokers** -- represent an average of **eight insurance companies** and research these firms to find you the **best combination of price, coverage, and service**. In person, personable, professional.

When your good neighbor goes bad,
When the good hands let you down,
When you find no one is on your side,
When responsibility is not the policy,

Give US a call. 770 -926 -9444
